Dear <<Name of Mayor, Council Person, Public Works Director, or Recycling Coordinator>>,

As a resident of <<City, State>>, I want you to know that I want to be rewarded for recycling at home. Please add the RecycleBank Rewards program to our municipal services. Once you add this service, our city will join the growing list of communities across the Country that uses RecycleBank to enhance their community recycling. Cities all over are becoming cleaner and greener while:

- Saving significant monies in waste disposal
- Providing their local citizens with a valuable rewards program, saving them hundreds of dollars in reward value each year
- Generating local economic development as residents redeem their rewards to local businesses

To find out more about how RecycleBank works in communities, go to <http://corporate.recyclebank.com/> or email muni@recyclebank.com.

I am looking forward to your response and to having the RecycleBank program right here in <<City>>.

Sincerely,
